

### **SABBIR UMARJI**

**Candidate for National  
Vice-President for IRCC**

#### **About me**

I started working for IRCC at the Case Processing Centre Vegreville in September 2012. In my 20 + years of Union work, I look forward to continuing to serve members in a new capacity as your NVP for IRCC.

#### **Union / Activism Experience**

I was first elected as a shop steward in January 1982 for teamster local 987. Was elected as Chief Shop steward in September 1984 and held that position till March 2008. While with the Teamsters, I was elected to the bargaining team in January 1985 and held that position till March 2008 when that company closed down.

I was elected as Vice President of UNE local 30086 (StatsCan) in September 2010 and held that position till July 2012.

I was elected vice president of CEIU Local 30876 in March of 2018 and elected President in September of 2018.

#### **Why you should vote for me?**

I have a desire to make sure our daily issues are heard by our IRCC employer. I can be reached at [umarji@telusplanet.net](mailto:umarji@telusplanet.net) for any of your questions.
